Helping those who cannot help themselves since 1980

Toasts for Tails

Cheers!! Nothing but Cheers for Toasts For Tails. Our fund raiser was a huge success!

Organizing an event without leadership and volunteers would not be possible. A huge, grateful thank you to Janey Hanson, who chaired this event, for her patience and forever smiles. Another huge thank you to the Board of directors who worked so very hard to make this event so successful, each doing their individual assignments so professionally.

Our community has once again shown their wonderful support for our organization and the animals. Sponsors, attendees, donors and vendors, we thank you!

Volunteers come in with many attributes and talents, however all of our volunteers had one thing in common - they all have huge loving hearts for the animals. We couldn't have done it without you!

A message from the President of CFA;

It is with heavy heart we are printing the obituary of our dear friend, Jim Taylor. Jim contributed so much time and his expert knowledge to CFA. There were many times when not only was he President, he acted as Secretary and Treasurer as well. In other words, he kept CFA together and on going. His calm and gentle manners will always be remembered with great admiration and love.

Ginny Greenwood, President

LOVE

Love given and received is joy
Surviving every sorrow
Love blesses with its memories
Despite some bleak tomorrow

Love never dies—it lingers on
To warm us come what may
Until we claim its source again
Some bright eternal day
Ruth Taylor

*You must call Northwind Pet Care Center at 360-456-5631 to reserve a spot to place a pet that needs a new home.
